EDITORIAL

This is the 15th years of the 'ANUKRITI JOURNEY'. Simply Fifteen years of the journey

of any journal do not reflect its supremacy and excellence, nevertheless, the love and support of the

Research Scholars, Professors and Educationists which 'ANUKRITI' has enjoyed, is really peerless.

The very purpose of the journal ANUKRITI is to bring positive thinking to towards the social

order, so that they can show their performance on a high level and thus contributes towards the

development of the society as well as nation. The main objective of the journal is to present the

various types of research papers on different subjects in front of the readers so that they can have

the full knowledge of different aspects of the life.

The articles and research papers which 'ANUKRITI' has received for publication indicate

that serious and investigating articles and papers are presented by the research scholars. Essays and

articles pertaining to other subjects other than arts, literature, history and economics, prove the

importance of this journal. That the modern young generation is aware and committed is evident

from these articles and papers. We believe that 'ANUKRITI' will be in a position to maintain its

standard in future too with me help of all our friends and well wishers. We intend to present some

articles on some very special poets and authors in the next issue.

We always respect your kind suggestions and instructions for the elevation of the journal.

EDITORIAL

This is the 15th years of the 'ANUKRITI JOURNEY'. Simply Fifteen years of the journey

of any journal do not reflect its supremacy and excellence, nevertheless, the love and support of the

Research Scholars, Professors and Educationists which 'ANUKRITI' has enjoyed, is really peerless.

The very purpose of the journal ANUKRITI is to bring positive thinking to towards the social

order, so that they can show their performance on a high level and thus contributes towards the

development of the society as well as nation. The main objective of the journal is to present the

various types of research papers on different subjects in front of the readers so that they can have

the full knowledge of different aspects of the life.

The articles and research papers which 'ANUKRITI' has received for publication indicate

that serious and investigating articles and papers are presented by the research scholars. Essays and

articles pertaining to other subjects other than arts, literature, history and economics, prove the

importance of this journal. That the modern young generation is aware and committed is evident

from these articles and papers. We believe that 'ANUKRITI' will be in a position to maintain its

standard in future too with me help of all our friends and well wishers. We intend to present some

articles on some very special poets and authors in the next issue.

We always respect your kind suggestions and instructions for the elevation of the journal.
